YOUNTVILLE

Napa Valley

"Rich, robust and generous, this wine's ripe plum flavors have a dark complexity built on inky plum tannins, a sundried-tomato spice and woody stemminess that lasts. The acidity is integrated into the finish, keeping the flavors lifted and dynamic. Trevor Sheehan makes this wine at Precision Wine Company; last year, his 2020 Rutherford Cabernet performed equally well. Serve this one with lamb and olive tapenade."
