

92 POINTS

CARTUXA  
RESERVA RED 2015

*“Far more elegant and graceful than the regular Tinto, this is equally powerful but not as jammy, not as dense and far fresher. Here, the fruit is expressed better. There is still intensity of flavor, without the same heaviness, without the same stolid demeanor. It's tightly wound and beautifully balanced. This is nicely done.” — M.S.*

*Robert Parker*
