80 YEARS

Winery:

Torre Oria has been producing authentic wines with a sense of place since 1897. Situated to the west of Valencia on Spain's Mediterranean coast, Torre Oria's wines are aged in the historic cellars at the property.

Wine Description:

A wine made from 80 year old vines is always special. Made from a blend of the locally grown and loved grape varieties Bobal and Monastrell. This wine is full of Mediterranean sunshine. Deeply coloured, juicy with an enormous depth of dark berry fruits, rich in body while keeping a luscious softness.

Tasting notes:

A powerful red, purple colored, with lots of concentrate ripe fruits. On the nose, it shows complex aromas of dark berries, subtle roasted hints and a rasing character. On the palate, it has medium to high acidity balanced with high alcohol and flavors of black cherry, brown sugar and chocolate.
